91	Green Space- our parks need funding!!! I have volunteered for the parks and have been very frustrated to find out that there is no funding and not enough volunteers. Garden installations are approved to be added to Liberty Parks by the hand of scouts but then nobody takes care of them. We need a Parks Director- somebody who makes sure that the picnic tables, gazebos, all plantings are taken care of. I live right by Allen Park and the gazebo is falling apart (NEEDS TO BE FIXED BEGORE IT FALLS APART!) and the picnic tables are a mess. The plantings are overgrown with weeds and the flowers planted in years past have disappeared because the weeds choke them out. If you are going to have Parks then you need to take care of them. All if not most have need badly neglected. I spent 40 hours this past spring trying to rejuvenate the perennial beds at Allen Park. But it gets frustrating when there is no help or support. Im 60 years old and shlepped all the mulch to the beds by wheelbarrow. I cannot do that again! That's a young man's job. More evidence that the township needs Park funding/attention. If it wasn't for the handfull of amazing dedicated volunteers the Parks would be worse than they already are. Take care of what is there first before adding more!!	9/14/2019 11:23 AM

199	Live in southern Liberty Twp. for 30 yrs. Good schools, good access to hospitals and medical services, good access to shopping, VOA park a big asset-especially appreciate walking paths that can accommodate older folks - not just soccer and baseball fields. I just realized, however, that the VOA park and shopping area and UC Hospital are in West Chester Twp, which still works for us. Being longtime residents, these were the first good facilities that we had access to. However, we do appreciate our newer local shopping areas, Liberty Center and Cincinnati Children's Hospital which are big assets.	9/10/2019 9:33 AM

36	Groups that are against expansion and growth.	10/5/2019 7:42 PM
37	I see the township as a success the way it is now. It's a place people want to be in to raise their families.	10/5/2019 7:27 PM
38	Roads, such as Millikin, are too narrow.	10/5/2019 7:15 PM
39	I think it is already wonderful, beautiful area with everything to offer.	10/5/2019 7:09 PM
40	Too bland.	10/5/2019 7:00 PM
41	Roads! They need to be widened and berms added. The attempt of bringing low income housing to our area	10/5/2019 6:57 PM
42	Road issues.	10/5/2019 5:48 PM
43	Too much growth & building more strip malls when others are vacant.	10/5/2019 5:05 PM
44	Lack of community, meaning the community doesn't rally around the township. It's very segmented.	10/5/2019 4:58 PM
45	Sprawling housing developments	10/5/2019 4:52 PM
46	Lack of public transportation	10/5/2019 4:41 PM
47	Community Park	10/5/2019 3:58 PM
48	Traffic, especially morning school traffic	10/5/2019 12:50 PM
49	Still need a walkable 'downtown' core and more walking/biking path connections	10/5/2019 9:34 AM
50	Liberty Center is not as vibrant as comparable sites in other cities. The retail is dying and the surrounding land is not particularly attractive in its uses (e.g., storage, pile of dirt, empty lot on West Chester side of Liberty Way, large undeveloped lot on SE corner of Liberty Center property) We need more activity at Liberty Center - e.g., concerts, fun stuff. This will draw people there. The golf course impeding Cox Rd. Growth is also an issue blocking North/South progress.	10/4/2019 11:31 AM
51	Ease of access to highway	10/3/2019 10:57 PM
52	terrible stop signs	10/3/2019 8:20 PM
53	Hamilton (lol!)	10/3/2019 7:57 PM
54	Not enough sidewalks and bike paths	10/2/2019 6:50 AM
55	Need more business but not stripe malls.	10/2/2019 6:39 AM
56	Needs to be more community friendly. Sidewalks sidewalks sidewalks. I would love to walk more around my town and take in a meal or entertainment. It's not safe for me to do that cause of no sidewalks. Which leads to congested roads cause of more cars.	10/1/2019 11:26 PM
57	The infrastructure of the roads is a significant issue. For example the 4 way intersection at the Mauds Hughes and Hamilton-Mason Road. A cohesive plan.	10/1/2019 1:08 PM
58	Infrastructure - the roads were not meant to handle this many people	10/1/2019 7:52 AM
59	Lack of "center"- downtown area, excessive retail development in south-east corner of Township, lower end building material requirements, lack of large park, lack of walkability/connections (sidewalks, etc...)	9/30/2019 9:18 AM

60	Unsure, since I see growth happening in Deerfield, and Hamilton, Middletown and other areas north of Liberty. Wondering if zoning restrictions are not friendly for growth.	9/30/2019 7:59 AM

65	Attracting the right businesses to the right location	9/26/2019 11:46 AM
66	We need a sense of identify. Central community space.	9/26/2019 9:49 AM
67	Too much development will turn Liberty Township into just another suburb; no central hub/downtown/landmark	9/26/2019 9:01 AM
68	Zoning. Lack of diverse housing options. Too many NIMBYs: Not In My BackYard residents.	9/24/2019 10:42 AM
69	maybe zoning-businesses need to stay with businesses and homes need to stay with homes.	9/21/2019 9:40 PM
70	Out pricing the residents and lack of recreational activities and spaces	9/20/2019 4:15 PM
71	Lack of transparency on near future plan of the city	9/20/2019 12:14 AM
72	lack of parks and fine dining	9/19/2019 8:34 PM
73	We need to attract more employment	9/18/2019 8:37 PM
74	Lack of funding? Hard to say. Seems to be succeeding. Maybe insufficient highway coverage?	9/18/2019 4:57 PM
75	Poor road construction planning & phasing. Lack of own police department outside of Butler Co Sheriff	9/18/2019 11:42 AM

80	Home value decline Too many apartments	9/15/2019 11:22 PM
81	Traffic congestion on Cinti Dayton road	9/15/2019 9:10 PM
82	Impact of development on neighborhoods is not taken into account during the planning process. Need better partnerships from developers to make sure development takes into consideration traffic patterns, etc. Developers should bear cost of road improvements not taxpayers.	9/15/2019 8:57 AM
83	Need of community center I have lived here for 41 years now, the changes have been phenomenal! Most in a good way	9/15/2019 8:09 AM
84	Need to continue to watch zoning where developers want to put up commercial property surrounded by residential. Mixed use with business, and apartments don't go next to established subdivisions, especially with little buffer.	9/14/2019 6:10 PM
85	Keeping it a small town feel	9/14/2019 4:37 PM
86	Building more residential subdivisions.	9/14/2019 2:45 PM
87	Traffic issues	9/14/2019 12:13 PM
88	Allowing low-grade businesses pop-up - like Dairy Queen! In an area where i understood Liberty was going to develop the historic Bethany area to mimic old Montgomery- little shops and boutiques. To me between Liberty Way and Princeton most of it does not have a sharp look. Starting to look like another trashy street like Colerain.	9/14/2019 11:23 AM
89	Lots of construction/new buildings popping up	9/14/2019 8:44 AM
90	Road access to I-75 other then at 129 Cin/day rd. I-75 south is a major problem at Rush Hour	9/14/2019 8:19 AM
91	Nothing	9/14/2019 8:06 AM

92	Fear of Bold Progress. In other words, we are apprehensive to push the envelope of creating multipurpose communities similar to Liberty Center. The suburb-to-cityscape ratio is unbalanced. How amazing would it be to, one day, be able to re-designate ourselves as a city, much like West Chester Township has thought about in years past? "Liberty, Ohio".	9/13/2019 5:16 PM
93	Too many new homes leaving older homes empty with decreasing value. Current roadways not built to handle amount of people traveling them.	9/13/2019 7:55 AM
94	A lot of construction of low priced homes	9/13/2019 7:47 AM
95	I take the interchange of 129/75N/75S every day to get to work. It has been ok so far but in severe weather I can see where merging all the way to the left to get onto 75N will be tricky, not looking forward to that in the winter. We would also absolutely love to see a cut through road from around Kroger over to Liberty Center, that would be awesome.	9/13/2019 7:45 AM
96	Lack of major employers in the Township, by major I mean high paying. Convenient highway access	9/13/2019 7:18 AM
97	Can't think of any	9/13/2019 4:46 AM
98	Need bussing or better safety at student crosswalks	9/13/2019 12:17 AM
99	I don't understand - its success as what?	9/12/2019 10:44 PM
100	Very rapid growth.	9/12/2019 9:52 PM
101	We need a community park similar to Summit Park in Blue Ash to bring community together	9/12/2019 8:43 PM
102	Growth	9/12/2019 8:06 PM
103	Over building of homes and shopping centers. Trustees making bad decisions. Too much spending on frilly things that really are not needs .	9/12/2019 7:55 PM
104	Too much development of new residential areas	9/12/2019 7:39 PM
105	Not a walkable community Under planned infrastructure to meet the growth	9/12/2019 7:32 PM

109	Exit off Kyle Station/Millikan or Princeton onto 75	9/12/2019 6:04 PM
110	Downtown liberty looks like it needs to be cleaned up- houses with trees growing thru them etc	9/12/2019 5:47 PM
111	Nothing	9/12/2019 4:18 PM
112	Nothing, we have grown too much too fast, great shopping, medical, entertainment, traffic, crowds and resurants gakire!	9/12/2019 3:57 PM
113	Lots of store fronts with no tenants	9/12/2019 3:15 PM
114	Lack of Tax dollars to fund infrastructure. Identity crisis. Do you want to be like West Chester and Mason or remain smaller. Unkept housing projects like Lakota Point are eyesores from Liberty Park with the amount of trash that comes into the park along with illegal drugs that can be smelt and seen being dealt from the park. Lack of Community center	9/12/2019 3:08 PM
115	Roads to residential areas. Specifically Milikin and Kyles Station, Princeton, Yankee (although parts are better) all these roads are Horribly dangerous, speed limit too high for the traffic and the fact that there is no shoulder. No wiggle room when some idiot is crossing the line at you!	9/12/2019 2:52 PM
116	It does not have as much community-focused appeal as towns such as Mason. The growth has not been fast, not carefully planned. Our roads are not made for the volume of traffic. They are too narrow, with no shoulders. There is not community center. Very limited sidewalks: causes huge safety concern in district with limited bussing, and does not keep up with modern demands for walkable community. This is the reason our next home will likely not be in Liberty Township. I love where I live, but I want to live somewhere my parents and children alike could safely access recreation and necessities without needing a car. I want to be able to go for a run without having to drive to Mason, Blue Ash or Loveland, where the whole community seems connected by sidewalks. If I could find that here, I would be inclined to stay in Liberty Twp.	9/12/2019 2:41 PM
117	I think it's successful as a great place to live.	9/12/2019 2:37 PM

118	Minimal sidewalks and ZERO bike lanes. We will not bike on the streets due to bad drives and risk	9/12/2019 2:25 PM
119	lack of pedestrian access, bike trails - keeps us confined by neighborhoods and reliant on cars because can't walk on bigger roads.	9/12/2019 2:05 PM
120	Nothing	9/12/2019 2:03 PM
121	Constructon everywhere just a mess	9/12/2019 2:03 PM
122	Traffic	9/12/2019 1:48 PM
123	More different (not cookie cutter) businesses.	9/12/2019 1:46 PM
124	Millikan interchange	9/12/2019 1:39 PM
125	sidewalks on the main roads	9/12/2019 1:19 PM
126	lack of future planning and holding new development responsible for well-reasoned community development. Losing open and park spaces without sufficient investment in facilities that improve the community instead of placing more strain on what exists currently.	9/12/2019 1:08 PM
127	Fast growth	9/12/2019 1:03 PM
128	Growing too fast	9/12/2019 1:03 PM

132	Road construction everywhere, growing too fast	9/12/2019 12:39 PM
133	Liberty Center not being developed with the right stores, just relocation of Tri-County mall stores. Nothing exciting or different to draw people to it.	9/12/2019 12:28 PM
134	Nothing I am aware of. The Township is growing, and at a great clip. We NEED our own Postal Code.	9/12/2019 12:23 PM
135	Traffic. Potential apartment housing development	9/12/2019 12:20 PM
136	Nothing. Love it as is. Why do we need to make it into a big city?	9/12/2019 12:00 PM
137	Roads	9/12/2019 11:52 AM
138	Please widen Hamilton-Mason road or reduce the speed limit	9/12/2019 11:45 AM
139	My only complaint is the maud Hughes and kyles station intersection.	9/12/2019 11:44 AM
140	Nothing	9/12/2019 11:38 AM
141	Nothing	9/12/2019 11:37 AM
142	As silly as this sounds.... we are not bike friendly. People ride on the busy roads which causes traffic problems and puts the riders at risk. I would love to see bike lanes on the major roads.	9/12/2019 11:15 AM
143	Need more small businesses, not chains and box stores. No more El Rancho Nuevo in every plaza!	9/12/2019 11:07 AM
144	continued pressure to allow less desirable development	9/12/2019 11:06 AM
145	Roads	9/12/2019 10:44 AM
146	Traffic flow light industry	9/12/2019 10:39 AM
147	Not enough sidewalks, trails, outdoor recreational spaces. Limited to one's neighborhood for walking and biking with lack of trails.	9/12/2019 10:38 AM
148	Too many hotels	9/12/2019 10:37 AM
149	Expensive leasing for local-based businesses.	9/12/2019 10:37 AM
150	Traffic / roads - can't accommodate the growth and new residents.	9/12/2019 10:35 AM
151	It seems like there are a lot of ugly developments being built.	9/12/2019 10:32 AM
152	Secondary road improvement - especially at Maud-Hughes and Hamilton-Mason roads. Other roads need widening	9/12/2019 10:17 AM

153	Narrow unlit roads without lighted street signs on major roads and very few secure sidewalks that will foster walking and bike riding.	9/12/2019 10:08 AM
154	Higher traffic during rush hours and lack of better public transport or ride share options.	9/12/2019 9:56 AM
155	NA	9/12/2019 9:53 AM
156	some road infrastructure, unconnected trails	9/12/2019 9:51 AM
157	not having a better exit off 75. The Milikin exit needs to be put in.	9/12/2019 9:46 AM
158	Overdevelopment. Don't follow West Chester Township's model of bringing in apartments and section 8 housing, and overdeveloping every piece of farm land - whether for business or Housing. We don't need a new store, apartment, multi-generational housing or even single family homes on every parcel of land or every corner. Traffic is getting too busy around here. Don't seek out "Best Places to Live" and other designations. They just draw too many people and make traffic a nightmare. Keep the rural feel to our township.	9/12/2019 9:43 AM
159	Money, need more funding to open the Milliken interchange which will lead to extensive economic development.	9/12/2019 9:35 AM
160	The need for an exit on milikin rd to 75	9/12/2019 9:27 AM
161	A continuing boom of urbanization and increase in population in the township. Some additions of business and recreational options is not a bad thing, but minimizing some residential growth and limiting commercial growth will help maintain the atmosphere of the township.	9/12/2019 9:23 AM
162	The continuing growth and destruction of land. We don't have the infrastructure to support the growth and all of the overdevelopment is ruining what brought many to love Liberty Twp in the first place	9/12/2019 8:50 AM
163	To much new construction	9/12/2019 8:42 AM
164	The town is not walkable or bike friendly since many main roads (princeton for example) do not have sidewalks	9/12/2019 8:35 AM
165	Communication. With residents	9/12/2019 8:33 AM
166	Lack of entertainment - needs more community events, breweries, music venues, restaurants	9/12/2019 8:24 AM
167	continue to be fiscally responsible	9/12/2019 8:22 AM
168	Excessive, unrestrained residential growth / empty commercial buildings	9/12/2019 8:18 AM
169	Rapid growth	9/12/2019 8:18 AM
170	Diversity inclusion	9/12/2019 8:09 AM
171	More homes in the area and the city cant keep up with the drainage system to maintain. Water sits in my backyard because so many homes working on same drainage system. Highest taxes in Ohio but not really seeing it versus other cities with similar taxes.	9/12/2019 7:34 AM
172	There is nothing in our area....nothing	9/12/2019 5:58 AM
173	Roads, poor planning	9/11/2019 8:30 PM
174	City planners not living up to commitmenst	9/11/2019 3:37 PM

176	Nothing	9/11/2019 12:16 PM
177	Majority of commercial development, especially dining and entertainment is in one corner of the township.	9/11/2019 11:32 AM
178	Construction everywhere, new neighborhoods everywhere, getting crowded	9/11/2019 11:19 AM
179	I'm pleased as is.	9/10/2019 11:11 PM
180	Amazon is killing retail stores!	9/10/2019 7:59 PM

184	Lack of good paying jobs.	9/10/2019 4:28 PM

186	Republican politics	9/10/2019 4:09 PM
187	Time. Everything you want to do takes money, time and planning - and the community is growing rapidly.	9/10/2019 3:51 PM
188	Need more business to offset some on taxes, Millikan off ramp, promote business on 747 north of 129	9/10/2019 3:31 PM
189	High residential taxes and over development while not shifting tax burden to businesses than can contribute more and sustain revenue for future upkeep of infrastructure.	9/10/2019 3:30 PM
190	Roads. Lack of roundabouts.	9/10/2019 3:20 PM
191	Heroin. Farm wasteland and unkempt properties. As I don't have access to the finances and issue list from a trustee's viewpoint, this is hard to answer.	9/10/2019 2:32 PM
192	I think Liberty Township has been very successful, but I would like to see very thoughtful development from here on out. More development of parks - shady areas and natural garden landscapes, separate walking/running and cycling paths. More pedestrian walkways between neighborhoods. Neighborhood beautification programs. Mixed housing. Especially more opportunity for one floor living (ranch and patio home living). Transition zones between commercial property and housing. Would hate to see our neighborhoods morph into an ugly commercial and industrial area. Keep some aspects of country life. Need to keep some of our farm land if possible. Think about things that will improve the life of our citizens not just commercial development. Livability!!!!	9/10/2019 9:33 AM
193	Not sure.	9/9/2019 2:06 PM
194	Transportation!! Accessibility to I75 for commercial development. Commute-ability - Cannot take advantage of Butler County RTA, Cincinnati Metro or Dayton RTA walkability of Township, with paved paths throughout the community. Planning for 25 years from now, not just the immediate future. What will make the Twp attractive to employers of the future ?	9/9/2019 11:23 AM
195	Walking path connectivity to businesses	9/9/2019 9:47 AM
196	It doesn't know what it wants to be	9/5/2019 2:59 PM
197	The roads have not kept up with liberty Township growth. Three railroad bridges also bottleneck main roads.	9/4/2019 8:10 PM
198	Nothing of note	9/4/2019 6:45 AM
199	Apartment style mailboxes	9/3/2019 10:07 PM

203	Parks that are not fenced in. Parks without bathrooms. Parks without splash pads.	9/1/2019 12:59 PM
204	2nd interchange on I-75. Thoughtful business district development	8/31/2019 11:42 PM
205	Highway access, vacant retail and commercial properties, low end apartment complexes.	8/31/2019 10:14 AM
206	Not much sense of community. Neighborhoods do not intermingle. Not very many community activities or events.	8/31/2019 8:05 AM
207	roadways/traffic	8/30/2019 8:15 PM
208	Our own zip code	8/30/2019 6:44 PM
209	Underdeveloped neighborhoods in regards to safe accessibility and sidewalks.	8/30/2019 6:36 PM
210	The construction at every street at the same time recently has been a huge inconvenience. Especially now that school had started and Hankins to Yankee has been closed.	8/30/2019 6:23 PM
211	Construction everywhere	8/30/2019 5:50 PM
212	Poor access to the highway. I commute to downtown every day. Would be nice to see more non-chain restaurants (local business/shops preferred like OTR)	8/29/2019 8:59 PM

213	Lack of activity centers. We need more gyms, or a rock climbing gym, things that this active community would gain great use from.	8/29/2019 6:15 AM
214	Nothing in particular	8/29/2019 5:50 AM
215	planning	8/28/2019 9:27 PM
216	Communication. Focus on driving business corridors too deep into residential areas, it's driving home owners to rally against any development and bring mistrust in the decision makers (Zoning Commission and Trustees).	8/28/2019 9:03 PM
217	The hospitals bringing crime and lowering property value	8/28/2019 8:37 PM
218	Lack of sustainable practices	8/28/2019 7:28 PM

222	Not sure	8/28/2019 6:19 PM
223	Many roads need widened Another exit from 75 The school district not bussing high schoolers is a black eye Community rec center would be great	8/28/2019 5:53 PM
224	I am not sure.	8/28/2019 5:50 PM
225	Would like more community areas/spaces that are outside and available to the public	8/28/2019 5:22 PM
226	Easier highway access. Build the I75 off Millikan!	8/28/2019 4:22 PM
227	Unsafe intersections on Maud Hughes Road	8/28/2019 3:41 PM
228	Tax giveaways to incoming businesses that employ low level wages. Nobody wins in those scenarios.	8/28/2019 3:25 PM
229	Lack of easy access to highways Increasing traffic Lack of shared green space (parks, bike trails, etc.) Lack of public pools	8/28/2019 3:23 PM
230	Higher end entertainment, dining	8/28/2019 2:54 PM
231	Too much construction	8/28/2019 2:51 PM
232	Past success. Cause nothing is really exciting except traffic and horrible roads.	8/28/2019 2:18 PM
233	Home prices are very high compared to some other suburbs with comparable perks, hoping for improved access to 75 via new interchange, other communities are making more family friendly areas and parks	8/28/2019 1:59 PM
234	Access to close shopping facilities, road width (with shoulders), and highway access.	8/28/2019 1:43 PM
235	Bussing	8/28/2019 1:42 PM
236	Small minds and fear of change; more business needed	8/28/2019 10:02 AM
237	Could use a splash pad, more patios, music festivals.	8/28/2019 9:17 AM
238	high property taxes and uncontrolled growth. Limiting the neighborhoods to preserve the green spaces throughout will help create balance and demand.	8/28/2019 9:08 AM
239	The constant influx of housing and traffic in the township..	8/28/2019 9:06 AM
240	Roads. We allow so much building when the roads are not equipped to handle the traffic. Then the township has to find money to make the improvements instead of the builders.	8/28/2019 8:50 AM
241	Seems like the township is successful, new retail areas, thriving neighborhoods	8/28/2019 8:21 AM
242	Frugality, and the NIMBY culture.	8/28/2019 7:41 AM
243	Millikan Road Exit	8/27/2019 10:26 AM
244	greedy developers	8/27/2019 9:36 AM
245	I think the possibility of a Millikin Interchange Area is a bad idea. This is going to make this area much busier and I like that it doesn't have a lot of traffic.	8/27/2019 8:07 AM

246	To many home developments being built which will eventually deter those who have come here for a good mix of rural and amenities to being just another congested area north of Cincinnati.	8/26/2019 8:58 AM
247	A need for an exit between 63 and Cin-Day	8/25/2019 11:06 PM
248	Easier access to I-75	8/25/2019 8:13 PM
249	Lack of post office, lack of community space. Lack of sidewalks and bike trails in many areas	8/25/2019 7:12 PM
250	The residents who don't want growth.	8/25/2019 6:51 PM
251	Building too much quickly and leaving little green space. No longer any farmlands or historical areas.	8/25/2019 6:49 PM
252	Roads need widened with extra lanes to accommodate the increased amount of residents who live in the number of houses being built	8/25/2019 6:34 PM
253	Community center	8/25/2019 5:46 PM
254	Not enough access to walking trails, walking to venues etc	8/25/2019 5:34 PM
255	The wrong kind of growth, slow decision making.	8/25/2019 12:45 PM
256	Lack of shopping. Need more department stores at Liberty Center to draw people over there. Too many specialized stores.	8/24/2019 3:37 PM
257	Traffic congestion, poor residential roads, too much development	8/24/2019 3:05 PM
258	Lack of exits off of I75 to Liberty Township. Traffic congestion.	8/23/2019 8:18 PM
259	I don't think anything is impeding Liberty Township's success. I'm happy with the community how it is.	8/23/2019 7:35 PM
260	Volume of traffic is too great for many of the roads although I know several projects have been completed recently adding turn lanes, etc.	8/23/2019 1:28 PM
261	Zoning issues	8/23/2019 7:18 AM
262	Overgrowth of businesses!!!!!! Especially restaurants!	8/23/2019 5:26 AM
263	Growth. The area is growing with neighbors rapidly and losing what is bringing residents to the area. Crime has gone up with stolen property as well.	8/22/2019 10:00 PM
264	Lack of sidewalks, lack of lighting in neighborhoods, poorly planned parks, poor bike trail system, not bike friendly, lack of strong corporate tax base, one of our largest initiatives, Liberty Center, seems to be struggling	8/22/2019 9:08 PM
265	Retail shopping on the north side	8/22/2019 9:04 PM
266	Lack of walking/biking trails, next generation playground/music venue/community space (such as Summit Park)	8/22/2019 8:59 PM
267	That there are no sidewalks along many of the roads from the subdivisions. Lots of new places have been built that we would love to walk to or ride our bikes to as a family.	8/22/2019 8:50 PM
268	Taxes	8/22/2019 8:22 PM
269	Lack of community events	8/22/2019 7:22 PM
270	Nothing	8/22/2019 7:03 PM
271	Traffic infrastructure	8/22/2019 6:36 PM
272	Liberty Township has grown nicely over the last several years, but I believe we're pushing the growth for growth sake. There are already vacant commercial properties in the area that should be filled before we attempt to build more.	8/22/2019 6:36 PM
273	Management of growth - infrastructure	8/22/2019 6:27 PM
274	Not being able to develop the miliken area.	8/22/2019 6:23 PM
275	School	8/22/2019 4:48 PM
276	Property taxes are insane, too much traffic in some areas, way too many office and medical buildings in process	8/22/2019 4:32 PM
277	Spending on unnecessary projects	8/22/2019 4:27 PM

278	ineffective HOAs or HOAs that don't have the authority to make changes to the neighborhood covenant due to lack of people voting	8/22/2019 4:21 PM
279	I have only been in the area for a year and nothing really comes to mind.	8/22/2019 4:15 PM
280	I understand the opportunity to increase revenue with the addition of business mix, but full tilt industrial/factory is a negative to the walkability and lifestyle success that we have. Can we find the right mix of office and light companies that will enhance these values? The unknown and conflict keep us from being an exciting place that is moving forward.	8/22/2019 3:54 PM
281	The idea of putting a small factory like the once proposed bakery. That area should be turned into something like the Frazee.	8/22/2019 3:46 PM
282	More community access...bike lanes, walkable streets, investment in GREEN space etc	8/22/2019 3:32 PM
283	Narrow rough roads, no bussing for high school despite property taxes being too high for what you get, a couple of trashy looking trailer parks	8/22/2019 2:48 PM
284	more development projects	8/22/2019 2:37 PM
285	Lack of leadership in our Trustees and Zoning commission. It seems as though planning is more reactionary. I don't really see a plan as to our roads being improved to keep up with the housing influx. Wouldn't it be better to do the road first and then do the subdivision Rural/Urban planning is a real science. Seems like the roundabout at Cox and Liberty Way would have been done long ago. Plan ahead. Also, as in going south on 75 and getting off at Liberty Way and having to turn right, not a good plan now is it. Seems like everything is reactionary. Example, building the new subdivision on Yankee in front of Dudley Park on a two lane back road. I also would say that Dudley Park needs to be upgraded. I live next door and won't go there because of the bathrooms.	8/22/2019 1:49 PM
286	Traffic is increasing. Road construction seems to be neverending. Additionally it will be interesting to see how the township balances the sprawl of new neighborhoods while still preserving the rural feel.	8/22/2019 1:38 PM
287	Traffic and infrastructure.	8/22/2019 12:48 PM
288	It would be great to have more sidewalks throughout to increase walk ability.	8/22/2019 12:43 PM
289	Too many apartment and condo developments, also many major roads are in bad shape or way overdue to be widened based on traffic. Also it seems like crime (auto theft, vandalism, break ins has increased quite a bit. My wife's car had a window shattered in a business parking lot one morning and I have thieves attempting to break into my vehicle in our driveway on camera. also many construction sites are having material stolen.	8/22/2019 12:42 PM
290	Trustees with an agenda	8/22/2019 12:39 PM
291	Depends on what success means. Roads need work and 747 is to congested to even travel.	8/22/2019 12:15 PM
292	Innovative thinking around being a unique place to live.	8/22/2019 12:09 PM
293	Need a larger park like Blue Ash Summit Park.	8/22/2019 12:06 PM
294	Places for family to go to have fun.	8/22/2019 11:51 AM
295	Though in many ways I hate to see more business, I understand the need to attract business for tax base. Need to improve some of the "front-door" roads into Township.	8/22/2019 11:29 AM
296	I don't know if these things are impeding LT's success, but in my opinion, we could use widening of more roads (I know the construction schedule has been busy so nice work!) and could use more sidewalks/paths along more roads and connecting subdivisions. We could also use a better exercise/fitness facility in LT (no offense to the YMCA). I feel lik	8/22/2019 11:04 AM
297	Not enough farms	8/22/2019 10:34 AM
298	Country roads	8/22/2019 10:26 AM
299	traffic with growing population	8/22/2019 10:21 AM
300	Lack of commercial development	8/22/2019 10:15 AM

301	Too many homes and too much traffic. Roads can't handle the vehicles. The speed limits need to be re-evaluated as these aren't old county roads anymore. Lower the speed! Need more police patrols ticketing all these people who break the law when driving. I shouldn't have to fear for my life driving on 747 going the 55 mph speed and have people pass me like I'm sitting still. It's ridiculous. Put speed monitoring device outside the Wynds of Liberty entrance on 747. People FLY and it makes it difficult to get in and out of the subdivision	8/22/2019 9:58 AM
302	Road development - the roads are too narrow and not equipped to handle continued residential growth. Also, the lack of bike lanes, signage to watch for cyclists, and enforcement of bike laws.	8/22/2019 9:29 AM
303	Too much residential development. No more apartment buildings. Renters don't contribute to the tax base	8/22/2019 9:20 AM
304	Need more safe walking & biking access.	8/22/2019 9:07 AM
305	Could use more commercial development, not retail, but mfg.etc. to provide tax revenue	8/22/2019 8:57 AM
306	Not pedestrian friendly. Lots of sprawl. You have to drive to get anywhere, even to places like Liberty Center where you can walk around.	8/22/2019 8:53 AM
307	Lack of bike trails, community center (downtown)--Bethany for example. And lack of commercial tax revenue.	8/22/2019 8:48 AM
308	high property taxes easy freeway access (129 at Cin/day) needs help lack of viable commercial development to help with taxes	8/22/2019 8:37 AM
309	Businesses aren't staying and losing green space /farms	8/22/2019 8:36 AM

311	More bike paths.	8/22/2019 8:25 AM
312	Developers wanting to put anything in	8/22/2019 8:20 AM
313	Poor roads, limited highway access, community polarization on vision and priorities	8/22/2019 8:19 AM
314	Trying to put in apartments and cramming businesses everywhere	8/22/2019 8:15 AM
315	More security/protection. Lots of shady things happening in neighborhood or surrounding areas	8/22/2019 8:13 AM
316	The desirability of nice housing and nice housing communities	8/22/2019 8:08 AM
317	disconnected neighborhoods from being able to walk to any kind of downtown area	8/22/2019 8:08 AM
318	Commercial Growth	8/22/2019 8:05 AM
319	Overdevelopememt	8/21/2019 9:33 PM
320	Lack of safe roads! Bike path and/or sidewalks to schools and all over Liberty Twp to connect to W.C and Fairfield.	8/21/2019 8:30 PM
321	Traffic and overcrowded neighborhoods	8/21/2019 8:12 PM
322	No walking paths around the area so families can walk to restaurants/shopping or just for general exercise.	8/21/2019 6:59 PM
323	Traffic & population to support the many businesses in the area	8/21/2019 6:44 PM
324	Traffic, overbuilding	8/21/2019 6:03 PM
325	Roads and traffic	8/21/2019 5:57 PM
326	I think Liberty Townships' parks could use some improvement.	8/21/2019 5:42 PM
327	Work is being done on 75 in several areas, so traffic is a concern, hoping completion helps.	8/21/2019 5:30 PM
328	Too much commercialized businesses. Sad to see old homes and farms being torn down- where's the history going?	8/21/2019 5:28 PM
329	Need to attract some large companies located away from residential areas to help keep taxes lower	8/21/2019 5:13 PM
330	Poor Traffic Planning - too many lights on the surface streets, weird freeway exits	8/21/2019 4:05 PM
331	Exit between 129 & Monroe	8/21/2019 3:08 PM
332	lack of connected trails and small retail	8/21/2019 3:05 PM

333	Access to I-75 at Millkin, needs more walking/running paths	8/21/2019 2:33 PM
334	Businesses don't stay open	8/21/2019 2:09 PM
335	Promises not kept	8/21/2019 2:06 PM
336	The idea of bringing businesses that would bring semi trucks into our community of skinny roads.	8/21/2019 1:52 PM
337	Nothing that I see	8/21/2019 1:51 PM
338	1) Diversity of Tax Base, not enough professional Employers in area, 2) Not a friendly place to be active (i.e. run/bike), limited trails, narrow two lane roads, disconnected neighborhoods, small parks	8/21/2019 1:03 PM
339	An Aldi's nearby :) Would also like a community center (much like Mason's). This makes more sense than an indoor skydiving establishment... Traffic lights on main roads seem to be off timing. Need more speed limit signs on main roads- people will go 30 mph in a 45 because the speed limit signs are free and far between.	8/20/2019 1:22 PM
340	I would love it to be more walkable/bike to places. I also think that a lot of the farm land/country roads are becoming so populated and busy that it is becoming almost too much.	8/19/2019 8:12 PM
341	Leadership	8/19/2019 7:12 PM
342	Need to keep green space, more parks, walking paths, ability to walk to attractions, high property taxes.	8/19/2019 4:41 PM

348	traffic	8/19/2019 9:42 AM
349	Employment similar to jobs available downtown - such as high level business administration and management. Overgrowth of commercial centers - losing quaint rural splendor.	8/19/2019 9:38 AM
350	I'm happy, so I think things are fine	8/19/2019 4:29 AM
351	Nicer restaurants on the "outskirts". Would like little to no apartments...less fast food. Not having our own police department.	8/19/2019 2:58 AM
352	Commercial tax baserapid growth	8/18/2019 1:01 PM
353	Nothing, up to good Township management to control growth, make sure roads, schools and parks can keep pace with growth.	8/18/2019 12:00 PM
354	Infrastructure has not kept up with traffic patterns. Roads more crowded with long waits at traffic lights.	8/18/2019 7:53 AM
355	Some roads	8/17/2019 5:19 PM
356	Lack of connected walking/bike trails - a lot of neighborhood sidewalks don't connect and connecting roads are too dangerous. My husband drives down to cincy each Sunday to get miles in on safe routes.	8/17/2019 3:08 PM
357	Lack of bike paths and walking paths to connect neighborhoods to parks and other parts of Liberty Township.	8/17/2019 1:25 PM

385	traffic at some intersections	8/16/2019 11:12 AM
386	high taxes	8/16/2019 10:33 AM
387	I think we need more high end local retailers, restaurants and play spaces (summit park is a great example) to separate ourselves from large box communities. Liberty Center could be great, but concerned about play areas and how they will use the space surrounding the property. There's so much development now, we will be lacking green space in a few years. We are also concerned the types of retailer and businesses in the area will not appeal to the homeowners in the area long term.	8/16/2019 10:09 AM

393	No downtown area. Lack of development planning, no vision for accessibility, too many strip centers that don't allow for walk ability and too much focus on the visual appeal of construction. We weren't going to let Frisch's put Big Boy out front on Yankee?!?!	8/15/2019 11:16 PM

448	I dislike all of the discussion surrounding apartments and multi generational and rentable living. I feel it will bring more people without the resources for police and fire as well as overcrowd a crowded school without proper funding. Liberty Township also raised taxes a ton very quickly. I think we don't need anymore development to add people to live here let alone cram in a bunch of people in a small space like apartment living and devalue the area over the years.	8/15/2019 10:50 AM

481	Too much development in too short of time is turning away many residents that chose to make LT their home.	8/15/2019 4:55 AM
482	Developers trying to build apartments or multigenerational housing. The word has gotten out and good people are selling and moving, or people are not buying into liberty township because of the negatives outweigh the positives. Also clear explanations of current developments already underway.	8/15/2019 4:53 AM
483	The expansive residential areas often seem to make it difficult for commercial development, especially that which includes affordable housing.	8/15/2019 4:40 AM
484	Lack of public transportation options, insufficient investment in public goods (e.g., sidewalks)	8/15/2019 4:37 AM
485	There are almost no sidewalks, not a walkable/runable town. Was hoping they would be added when Princeton was redone by Cin-Day but nothing	8/15/2019 4:27 AM

491	Walkable sidewalks within older neighborhoods and between neighborhoods	8/14/2019 11:34 PM
492	Short sided decision making for short term vs long term success. It's important to value the current population and understand the demographics and how they lay out within the community. Also, not planning meetings on dates where the population can attend easily and communicating the meetings in a forum not on Facebook.	8/14/2019 10:56 PM

493	The constant desire to develop mixed use properties in residential areas as well as the control and influence that builders have in HOAs- especially and specifically in incomplete neighborhoods. The builder owned HOAs are interested most in harvesting profits- not protecting property value which is the fundamental reason for an HOA.	8/14/2019 10:50 PM
494	Growth is so accelerated that basics can't keep up. Own police vs county would be helpful. Do not want apartments.	8/14/2019 10:44 PM

497	Taxes	8/14/2019 10:34 PM
498	nothing!	8/14/2019 10:31 PM
499	Growth! There is way too much growth happening without a lot of consideration for the way it will change things for CURRENT residents. Our trustees are hell bent on bringing in corporations and businesses to build a tax base and attract new residents rather than actually planning growth that benefits the current population. The township doesn't need to be covered to the last inch in businesses to best meet the needs of it's residents.	8/14/2019 10:25 PM
500	Nothing. The township is growing at a good rate. Growing too quickly will lead to "growing pains" best avoided.	8/14/2019 6:55 PM
501	Lack of the following: bike paths, sidewalks, walking trails, accessibility between neighborhoods, or ability to safely walk to high schools.	8/14/2019 6:15 PM

6	the never ending rising of property taxes	10/6/2019 3:33 PM

8	Concern over future development	10/6/2019 2:54 PM
9	Too much development of communities that are quickly built with inferior quality.	10/6/2019 2:48 PM
10	Greedy developers wanting to add rental properties (apartments) near existing communities. Dixon's plan to add rental units in the final phase of Aspen Trails is exhibit #1. This would have provided a nice source of cash for the developer, but would have ruined a fine community.	10/6/2019 2:22 PM
11	Lack of diversity within the township	10/6/2019 1:01 PM
12	Perception that builders have gone crazy with subdivision growth without promoting the plan for nature/green spaces and restaurants without any green space around them.	10/6/2019 12:16 PM
13	Over growth & development	10/6/2019 11:14 AM
14	Security. Should be able park my car on the driveway and no worry about someone breaking into it. Please gentrify the surrounding neighborhoods.	10/6/2019 10:38 AM
15	Overcrowded roads	10/6/2019 10:31 AM
16	The big home building company's (Fisher, MI, etc) coming in and putting in cheap subdivisions and not finishing them. The Twp. and county don't listen to the residents that are being effected whether it's rain water runoff or police and fire services. The pass the buck it's not my problem mentality of the Township's elected officials and the County's engineering department will make the Twp. Unwelcoming for future residents.	10/6/2019 10:28 AM
17	Overcrowding. Taking away the green spaces	10/6/2019 10:27 AM
18	The parks are not very good and we are destroying all the natural land.	10/6/2019 10:06 AM
19	Traffic!	10/6/2019 10:05 AM

24	overgrowth, increasing taxes	10/6/2019 7:39 AM

32	Trying to bring in low income housing.	10/5/2019 8:41 PM
33	Not enough tax revenue and growth too fast	10/5/2019 8:22 PM
34	Roads and overcrowding the whole township with more housing. Puts too much strain on roads and infrastructure. With some of the older subdivisions not having kids in school any longer that may be off setting the new developments.	10/5/2019 8:18 PM
35	Growth faster than infrastructure can support.	10/5/2019 8:03 PM
36	Urban Sprawl, Over development and the destruction of the rural community ambiance.	10/5/2019 7:53 PM
37	Need for responsible sustainable commercial growth- one chance to get this right	10/5/2019 7:46 PM
38	The schools keeping up with population growth.	10/5/2019 7:42 PM
39	The Milikin exchange. It will absolutely ruin the feel of Liberty Township. The Township has a family friendly, slightly rural feel and it's just a wholesome place to be. The milikin exchange will add a lot more traffic and warehouses will ruin the look and feel. Nothing is wrong with having farm land or empty fields. We don't need to use every piece of space we have. Warehouses and manufacturing are rough and not 'friendly feeling', semis will replace family SUV's and clog up our backroads.	10/5/2019 7:27 PM
40	Loss of green spaces (to new housing communities, new and unnecessary retail plazas, and large warehouse buildings)	10/5/2019 7:09 PM

55	Over commercialization	10/2/2019 5:19 PM
56	Smart development. Don't build a bunch of strip malls that will get abandoned in twenty years.	10/2/2019 6:50 AM
57	Growth	10/2/2019 6:39 AM
58	More infrastructure. Traffic congestion in same areas when we need more ways around the traffic.	10/1/2019 11:26 PM
59	The tax burden of Lakota Schools. And an increasing Fire Levy (the most recent is a continuing levy, so it will not return to the ballot, yet, the Township FD just got a 1 million+ grant for 3 years to hire 9 firefighters. Once those 3 years are over, one of 2 situations occurs. 1) the Firefighters get laid off because the budget never had the money to afford them in the first place or 2) our taxes get jacked up to pay for continuing to keep these 9 that our township could not afford the first time around. I think the #1 issue facing Liberty Township is career politician Trustees.	10/1/2019 1:08 PM

92	Don't know if it is #1 but all the development has changed the water table and I for one have seen more issue with water run off in my yard. This will cause septic issues. Concern with farm land being bought up for more homes	9/14/2019 8:19 AM
93	Access with quick growth	9/14/2019 8:06 AM

94	The township's middle-aged and elite demographics, who put our communities in a chokehold whenever change is necessary. In the past, some businesses that hoped of joining our township were ridiculed and even chased away by this older group of residents, due to one or more opinions they believed were shared by the rest of us. I fear that our lack of progression is due to those who want things to stay exactly the way they are now. With our township's population surpassing 40,000 recently, we need to start acting like a city and find ways to sustain business and work here. Having our residents leave Liberty Township to go to work in neighboring communities is not moving forward; it's being stagnate.	9/13/2019 5:16 PM

113	Vacant property along Cin Day Rd. Need additional exit ramp at Millikan to ease traffic off of 129 and Cin Dayton Rd	9/12/2019 3:08 PM
114	Housing is too high, roads are not conducive to the traffic for the constant new developing neighborhoods. Retirement here is difficult due to the fact that builders build very few Ranch homes these days, why is that? Roads are fine to shopping and entertainment. These need fixed way before the Union Center thing going on (Irelaize that is not Liberty Twp). If it's not broke why fix it....fix what is broke. Way took many roundabouts put in before actual roads are fixed. Roundabouts have created yet more seep on these already dangerous roads.	9/12/2019 2:52 PM

157	Overdevelopment. Leave the land alone. It's prime farmland, and the population continues to grow. We don't need more homes, apartments or warehouses. It's nice when a new restaurant comes in here or there, but keep it to the area around Liberty Center or Yankee Kroger and other existing developments. We don't need urban sprawl. West Chester has destroyed what was previously a great community and we have talked about moving away just to get away from it if the creep continues to Liberty Twp. Their crime rate is worse than they let on to residents (I personally know victims or victim's families who have told me of crimes the township works hard to keep out the headlines). If you manage existing properties well, home values will continue to increase and the community will continue to draw new residents - it will just make the market more competitive. Develop more green spaces, parks and walkways connecting the existing developments and housing. Keep the rural feel of our community- development has already gone too far.	9/12/2019 9:43 AM
158	Democrats period. They ruin anything they touch with their godless insane socialist thinking. Build the community out with a conservative, God fearing plan and the people will be respectful and keep our community great. Allow any bit of liberalism to creep in, and it's over.	9/12/2019 9:35 AM
159	Liberty center not making money and paying its debt.	9/12/2019 9:27 AM
160	Planning ahead. If the township continues to grow in population then the need for infrastructure to handle the increase is crucial. Why was my beautiful neighborhood allowed a crappy restaurant and retail to destroy the open free space we were all promised in buying land here. 196	I have lived in the immediate area for over 50 years. I have experienced all of the growing pains over the decades. The biggest threat I feel is losing the Townships identity of being a Rural Suburban Community. There is no talent in planning a community. whos only identity is being one giant subdivision /commercial park. It is so easy to allow real estate and commercial property developers, to overbuild the resources of the Twp. I have seen it happen time and again over the decades. The community should take advantage of modern urban planning methods. Maximizing our community for the long term future, not just the immediate future.	9/9/2019 11:23 AM

Some areas already have tight boundaries with commercial property and the idea to drive more commercial into residential is wrong, especially where roads merge together such as 747 into Rt 4. 284	Liberty Township is rapidly growing and, as with all rural areas that experience rapid growth, the two-lane farm roads are becoming increasingly congested. The region is doing its best to widen roads, build regional highways and construct interchanges with I-75 to lessen the burden, but the growth rate is ahead of the construction curve and will remain that way for the foreseeable future. At this writing the Butler county regional highway has been in operation for a few years and has offered much needed relief for East-West commuting. As growth converges from the north (Dayton) and the south (Cincinnati) more regional highways will be required. Taxes are to high for us retirees. 352	Rapid growth, traffic congestion, insufficient infrastructure	8/18/2019 1:01 PM
353	Overbuilding is #1. The currently proposed massive apartment development 'Village North' is a huge mistake. The apartments in Liberty Center are struggling to gain residents so adding some 700 more as Village North's Atlanta based developers are proposing will bring massive traffic congestion to roads that are already at capacity during peak hours. Yes I know they have tied in to a local Justin Doyle homes, but he isn't running the show. I've lived in and seen developers ruin communities before by over building. That proposed area should be fine for some retail, grocery, restuarants and single family homes at most.	8/18/2019 12:00 PM

36	I'm not sure what kind of tourism. First, Liberty Twp needs to know it will never be another Mason bc it lacks a huge corporation to build it with the wealth and integrity it deserves. It has no P&G, GE, Kings Island, and stuff of that nature. To copy it is too risky. I think if it develops for business it needs to be careful with brick and mortar buildings and shopping centers. In today's world I think an Amazon fulfillment center or something Amazon is your best bet for business development. For tourism and to maintain rural integrity something for outdoor recreational use such as Washington Township has might pbe best.	8/15/2019 11:11 AM

Q13 Does Liberty Township need more neighborhood scaled commercial development to better support the residential subdivisions in the area?

29	Consider no bussing for high schools. As example, if we can extend the walking trail from voa past four bridges up to millikin, down Princeton and down Bethany.. How much safer our kids are. 30	Reduce speed limits on Liberty Way and Butler Warren Rd	8/22/2019 12:58 PM

1	I would like to see our existing interchanges improved before starting another project.	10/5/2019 7:50 PM
2	If good urban design is completed around that intersection, people will driving for miles to visit the community there!	10/5/2019 5:04 PM
3	It seems only you, the Trustees, seem to think it is a good idea to add even more traffic in residential neighborhoods.	10/1/2019 1:26 PM
4	depends on cost vs benefits; not worth high cost.	9/14/2019 6:38 PM
5	As long as there are no industrial builds west of 75	9/12/2019 2:33 PM
6	This would help traffic flow and give another option.	9/11/2019 7:18 PM
7	It depends, but we need to know the intentions before any answer is realistically accepted and quantified.	8/28/2019 9:41 PM
8	Yes. If to only help alleviate traffic at Cinday and 129	8/28/2019 7:49 AM
9	Increase to commercial and venue development	8/26/2019 9:15 AM
10	YES YES YES YES YES. I cannot stress enough...YES	8/25/2019 6:57 PM

11	I'm in TFB. While needing access to 75 means going out of my way to am on ramp, Liberty way is very easy to get to. I would rather see 129 extend east (not a liberty Twp issue, I know). Other than the retail that goes with an exit, I'm not sure what it brings us. Perhaps some road widening instead for easier transport?	8/22/2019 4:12 PM
12	Yes - but NO INDUSTRIAL development.	8/22/2019 12:42 PM
13	I'm afraid of the additional traffic that would bring across the full length of Millikin	8/22/2019 11:46 AM
14	Yes, for residential traffic only. Not for industrial development	8/22/2019 9:42 AM
15	Not yet, but if traffic build and more development occurs North of Bethany then it would be welcomed.	8/21/2019 1:29 PM
16	Appears that other interchanges are already in proximity and this would hamper existing family neighborhoods	8/16/2019 2:00 PM
17	Would ease congestion at other interchanged, plus allow development.	8/16/2019 1:56 PM
18	Traffic is only usually a problem during rush hours.	8/16/2019 12:23 PM
19	This would increase traffic and commute times and not include quality of life.	8/15/2019 6:43 PM
20	Already too much traffic on Millikin!	8/15/2019 2:38 PM
21	I don't have enough information and or I would like to focus on existing issues before looking at expanding our projects. I do think we could benefit in the distant future, but I think we would NOT benefit by starting it now before we complete existing issues like Liberty Way exchange. Let's not spread our resources too thin and let's not start several traffic related issues all at once and create congestion all over the township. I don't want to hit construction or infrastructure issues all over the township. We have enough growth potential all over the township that we won't miss out by not adding the exchange for many years.	8/15/2019 8:43 AM

Q20 Which road corridors do you feel need improvements to accommodate safety and congestion related issues? Please provide a cross street reference so we can better understand your concern.

2	There probably are but I can't think of any specific intersections right now	10/6/2019 1:05 PM
3	The eyesore that is that Circle K/Marathon at 747 and Rt. 4. I feel unsafe there even during broad daylight.	10/6/2019 11:14 AM

9	Yes.	10/6/2019 6:15 AM
10	Hamilton Mason Maud underpass	10/5/2019 9:36 PM
11	Princeton Road and Holloway Drive needs a "Hunting Creek" neighborhood sign	10/5/2019 9:23 PM
12	N/A	10/5/2019 8:46 PM
13	Liberty Way could use some sprucing up. The Hamilton Mason/CinDay intersection also.	10/5/2019 8:26 PM
14	Stop destroying the rural community ambiance by trying to turn Liberty Township into a city, and then none of them need improvements.	10/5/2019 8:04 PM
15	Round about at Kyle's Station and Cin Day	10/5/2019 7:52 PM
16	747, CinDay, Liberty Way, roundabouts, rt 4, kyles station east (lighting can make it hard to see joggers and bicyclists)	10/5/2019 7:50 PM
17	747 and Aspen Wood Drive need some light and improvements.	10/5/2019 7:34 PM
18	Not that I can think of. Liberty Township has done a nice job with the roundabouts	10/5/2019 7:13 PM
19	Depends on the plan	10/5/2019 5:04 PM
20	More traffic circle's	10/5/2019 4:03 PM
21	747	10/5/2019 3:51 PM
22	Round abouts need landscaping..the poor sickly evergreens are not pretty. West Chester has beautiful landscaped round abouts. Take notes..	10/2/2019 6:48 AM
23	Continue to improve the SR-129 exit ramp aesthetic with keeping a focus on continual maintenance to keep it looking nice. Larger displays with improved lighting	9/30/2019 9:30 AM
24	747 & 4	9/20/2019 12:25 AM
25	Princeton and Cin-Day. It's so hard to see if a car is coming on Princeton when turning onto con-day	9/18/2019 9:23 AM
26	Hamilton Mason (btwn 747 and Mauds Hughes) needs more lighting and shoulders	9/17/2019 6:08 PM
27	Lighting at most intersections is not non-existent, other than traffic lights and what a nearby business provides. So, not sure where to begin. Keeping the grass mowed it great. Planting flowers/bushes that are not watered looks dead, and a waste of money.	9/14/2019 6:38 PM
28	N/A	9/14/2019 2:55 PM
29	747 & Millikin	9/14/2019 12:22 PM

30	All! The round-snouts look terrible compared to West Chester's! Better lighting g at Cin-day and Kyles. The fence line off the exit ramp from 129 to Cin-day needs some attention! One side of the road is great - the other side looks horrible! Garbage blown up against the fence.	9/14/2019 11:38 AM

32	All the round abouts should be landscaped and managed.	9/14/2019 8:12 AM
33	Princeton Road and SR 747 (landscaping; high grass blocking view of traffic coming from northbound 747).	9/13/2019 8:04 PM
34	I think that we have slighted aesthetic improvements. This probably is due to the need to put the money into more practical issues, but aesthetics are very important	9/13/2019 9:37 AM

36	Hamilton-Middletown road by the Kroger shopping center, new restaurants are going up but the area looks very run down	9/13/2019 7:23 AM

39	No more house building advertisements at busy intersections	9/12/2019 7:48 PM
40	No	9/12/2019 7:16 PM
41	All of them. The businesses are lured in and no restrictions on aesthetics, healthy landscapes, none of the businesses are responsible for litter on their property. Small things can have great impact. There should not be chainlink fencing at Cin Day and Yankee for demarcation of right of way and bussiness property. Really chainlink??	9/12/2019 7:14 PM
42	Anywhere improvement has not been made	9/12/2019 2:33 PM
43	On 747 it would have enhanced our township so much if there were medians and green space, now it is just a big road	9/12/2019 2:12 PM

52	Maud Hughes and kyles station	9/12/2019 11:51 AM
53	Need better lighting at Maud Hughes and Princeton - both intersections. All the round abouts could use more landscaping.	9/12/2019 11:33 AM
54	Millikin & Kyle's Station could use some street lights	9/12/2019 11:18 AM
55	The entrance & exits ramps on/off SR 129.	9/12/2019 10:29 AM
56	All major roadways need lighted street signs!!	9/12/2019 10:21 AM

64	Yankee Road and Cincinnati Dayton Road Liberty Way and Cincinnati Dayton Road	9/12/2019 8:39 AM
65	Lighting is needed on all "hilly" 2-lane roads.	9/12/2019 8:36 AM
66	Rt 129 & 747. Landscaping is hideous and poorly maintained.	9/10/2019 7:32 PM
67	747 and Princeton	9/10/2019 6:36 PM
68	The pine trees in round about are safety concern, as you cannot see what is coming from the other direction. They will only get larger further causing safety issues.	9/10/2019 4:26 PM
69	Maid Hughes and Ham Mason (Liberty Way)	9/10/2019 3:40 PM
70	Most of all of them	9/10/2019 3:27 PM
71	Too hard to do this one off. Set up a request online or monthly contest to get people to provide ideas.	9/10/2019 2:56 PM
72	Could be improved almost everywhere!!!	9/10/2019 10:18 AM
73	Several of these intersections already maintained by residents living in those areas or the HOA entities controlling the private property in these areas. More lighting would be nice but there needs to be a balance that does not increase the taxes on the residence.	9/4/2019 8:28 PM

76	129 and Cincinnati Dayton, 75 and Tylersville, 75 and Cincinnati Dayton	8/31/2019 10:22 AM
77	Seems like there are quite a few intersections that could use some better street lighting. Milikin and Lesourdsville West Chester (for one)	8/30/2019 8:25 PM
78	All throughout the area surround Windsor Estates. Particularly b/t there and CinDay/75	8/30/2019 6:41 PM
79	Same intersection as stated above. On top of being dangerous, it's hideous and the walls under the railroad bridge look as if they are crumbling.	8/30/2019 6:34 PM
80	None that I can think of	8/29/2019 6:00 AM
81	More natural areas, but needs to be managed so not invasive	8/28/2019 7:34 PM
82	Yes, all of them. You can not go wrong adding any of these to major intersections.	8/28/2019 7:03 PM
83	Hankins Rd.	8/28/2019 6:33 PM
84	Les west chester and Rt. 4. Every intersection on Hankins Rd. Is poorly lit.	8/28/2019 5:59 PM

91	Hankins and the off-chutes to 63	8/28/2019 1:51 PM
92	Take most of the landscaping off of the LeSourdsville West Chester/ Hamilton Mason Rd. Roundabout. It makes it hard to see across roundabout for oncoming traffic. It's also an embarrassment to the Township for wasting money on landscaping in a roundabout. Move the foliage to a park, bike path or someplace more appropriate.	8/28/2019 9:29 AM
93	Mauds Hughes and Kyles Station 4-way stop visibility.	8/28/2019 9:16 AM
94	Why is the township exempt from fencing in dumpsters? They are an eyesore and cause garbage to blow around.	8/28/2019 7:49 AM
95	none	8/27/2019 9:54 AM

96	No thoughts on this	8/26/2019 9:15 AM

113	Landscape all the traffic circles, drive through mason and view their circles and how they landscaped all the major arteries, that is who we should strive to copy	8/22/2019 1:01 PM
114	YES!!! It would be AMAZING for the interchanges to be mowed and landscapes on 129&75. At a minimum have the honeysuckle and other brush removed. It could be so much more appealing.	8/22/2019 12:16 PM
115	All "front-door" entrance roads into Liberty Township should be reviewed. And as a general aesthetic, drive through Mason and notice how much nicer many of their road aesthetics are.	8/22/2019 11:46 AM
116	n/a	8/22/2019 10:26 AM
117	All	8/22/2019 9:42 AM
118	Would like to see more trees. We lost a lot of trees within easements to disease over the years and not many have been replaced once they were removed.	8/22/2019 9:20 AM
119	Probably, but this should just be a continuing effort as funds are available. Major issue is traffic flow!	8/22/2019 9:06 AM
