92	I'm glad to see the recent and current improvements on Princeton Rd., Hamilton-Mason Rd., and Liberty-Fairfield. These roads were a mess. 194	Princeton Road & Butler-Warren Road; Millikin & Lesourdsville-West Chester	8/22/2019 10:37 AM
195	The intersection at Liberty Way and Tylers Place is way too big (9 lanes across) and cars drive way too fast (50+mph at times) that it discourages pedestrians from coming to the most pedestrian friendly area in the township (Liberty Center).	8/22/2019 10:20 AM

196	Liberty Way Proposed development of Village North as is will be a traffic disaster. the additional traffic lights proposed will create more delays. Let's not turn the current reasonably manageable traffic situation there into another Tylersville road nightmare.	8/22/2019 10:06 AM
